Because racers participating in the Intermediate event should not be faster than racers in the Main event, a race time test is imposed. Five of the fastest racers in the Main event were asked to forerun the Intermediate Giant Slalom and Slalom courses, and the three\* fastest times were averaged. Any racer in the Intermediate Event whose time on either course is within 15%\* of the averaged forerunner times is disqualified from all Intermediate race events and will not be considered when determining individual or team awards. In addition, disqualified racer(s) must be promoted to the Main Event for future races.

Five of the fastest racers in the Main event were asked to forerun the Intermediate Giant Slalom and Slalom courses, and the three\* fastest times were averaged. Any racer in the Intermediate Event whose time on either course is within 15%\* of the averaged forerunner times is disqualified from all Intermediate race events and will not be considered when determining individual or team awards. In addition, disqualified racer(s) must be promoted to the Main Event for future races.
