Introduction

THE METROPOLITAN NEW YORK SKI COUNCIL is a non-profit organization dedicated to the sport of skiing which embodies recreational skiing - Alpine and Nordic -and amateur ski competition, in the form of intra-club and inter-club races. Our interclub race, held continuously since 1936, is one of the oldest Alpine races.

The Met Council's ski clubs with a total membership close to 8,000 reflect all interests. Some recall our backgrounds, for example, the Norsemen, Swedish and German Ski Clubs; some our workplaces like Grumman or LILCO; others residence locations like New York, Suffolk and Garden City; and even National history - the Tenth Mountain Division. The Council is a forum for local, national and international skiing concerns. It organizes special events and presentations, develops programs, listens to gripes and praises, all part of the friendly and invigorating sport of skiing. Its efforts are very important in helping support the U.S. Olympic Team, the Ski Hall of Fame and working with the U.S. Ski Association and the National Ski Patrol System. "Special effort is continuing to work with the United Ski Industries Association, the new name for the merged National Ski Areas Association with the Ski Industries of America and now known as USIA, located at 8377-B Greensboro Drive, McLean, Virginia, 22102; re promotions geared toward safety in skiing programs and the new skier campaign".

American Skiing was born more than 100 years ago with the Nansen Ski Club of Berlin, N.H. and Norwegian settlers of Wisconsin, Minnesota and Michigan. After the turn of the century, the National Ski Association was formed, followed by its first division, The Eastern Amateur Ski Association chartered at Saranac Lake, N.Y. in 1922. When the Federation International de Ski (FIS) was formed (Chamonix, 1924) the National Organization joined them.

Due to the distance between New York City and these organizations the regional Met Council was begun here in 1934. Since then Eastern has dissolved and USSA has moved to Park City, Utah, making the Met Council an even more important forum for Eastern Skiing.

Founders of the Met Council were an important factor in leading the U.S. ski movement, and witness Roland Palmedo, who played a great part in the original development in Stowe, later starting his own ski area - Mad River Glen. He was instrumental in the early stages of the National Ski Patrol, carrying the number 2. About this time the Metropolitan New York Ski Patrol was formed with Ken Littlefield as chairman. The Patrol newspaper "Trail Sweep" was started by Ken Littlefield and later carried on by Tom Ludwig, also a council member. Another council member, John Clair, Jr., served for 25 years as Regional Chairman of the Metropolitan New York Region Ski Patrol.

Although fewer than ten percent of our membership actively compete, we enjoy and support competition.

Over the years this council has been host to American and Foreign ski teams and VIP's visiting the United States largely because of its location and because of the efforts of the late John Clair, Jr.

Metropolitan New York Ski Council Harry Walter Voege Memorial Scholarship

The Council is offering a \$500 scholarship for our second year. The Metropolitan New York Ski Council Scholarship application is available on line at www.metnyski.org.

Although the prerequisites for applying call for the applications to be members of the MNYSC for two seasons (either as a single member or part of a family membership), there shall be a relaxing of that prerequisite for the years 2014-2015 scholarship award as follows:

For all award years the applicant must have a parent or grandparent who has been a member of the current and past season with no requirement that the applicant be a member.

Applications must be post-marked by April 15th. Applications must be postmarked or dropped off on or before the due date. You may mail your application to:

Metropolitan New York Ski Council is a Member of the National Ski Council Federation

The National Ski Council Federation is comprised of twenty-five ski councils throughout the United States. The organization's mission is to strengthen councils, with industry participation, so they may better serve clubs through communications, education and benefits, and to influence issues relevant to snowsports and ski clubs.

Metropolitan New York Ski Council is an Associated Member of the National Ski Areas Association

The National Ski Areas Association is the trade association for ski area owners and operators. The association's primary objective is to meet the needs of ski area owners and operators nationwide and to foster, stimulate and promote growth in the industry.

Metropolitan New York Ski Council is an Associated Member of the SnowSport Industries America

SnowSports Industries America (SIA) has a long tradition of promoting snow sports on behalf of their 700+ members, which include suppliers, retailers, reps, resorts, service providers and everyone in between.

Letter from Chairman

I am writing this on an airplane going to the National Ski Council Federation meeting in Park City, Utah. I am looking forward to meeting the Presidents of the other Council throughout America.

The Metropolitan New York Ski Council represents skiers & boarders from New York City, Long Island, Westchester and Southern Connecticut. The MNYSC is a proud member of the National Ski Council Federation. The Federation represents Councils throughout the United States. Their mission is to strengthen Councils, with industry participation, so they can better serve member clubs through communication, benefits, education and to influence issues relevant to snow sports. The MNYSC is run by people who volunteer their time. We are always looking for people to volunteer and help out.

The Council trip this season will be to Bannf, Lake Louise & Sunshine Village in British Columbia, Canada.. They are wonderful mountains and we plan on having a lot of fun there. Last season, the Council went to Sun Valley, Idaho. A great time was had by all. It is nice to get multiple clubs together, ski with new people and have a lot of fun. This is one of the benefits that the Council clubs enjoy. Another one is our annual race & party. We are going back to Pico Mountain this January. Last year's race was a success & the Council raised over \$1,500 that was donated to various charities that cater to the snow sports.

The Council has over 40 ski clubs. We had 2 more clubs join this season. There is a ski club for everyone. All ski clubs have their own identity. Check out the clubs information in this guidebook. See what club interests you. Skiing or boarding with a group of people that a club provides offers many advantages. You can save on cost of a trip by lower prices for transportation, lodging and lift tickets. But the main advantage of joining a club is the FUN you will have while skiing or boarding with the new friends you made in your club. There are also club member discounts that are on the website www.METNYSKI.org that is offered to the clubs that you as a member will be able to enjoy.

The Council is a part of many organizations. The National Ski Areas Associations, the National Ski Council Federation, United States Ski and Snowboard Association and the Snow Sports Industries of America.

I would like to thank the advertisers in the guidebook. Their generosity and support made it possible for the MNYSC to publish this guidebook. Please support the Resorts, Mountains, Lodges and Ski Shops. Let them know you saw their ad in the guidebook.

I am now in my 9th year as Chairman of the Metropolitan New York Ski Council. I enjoy being Chairman, as I get to meet people at the events we attend. I enjoy talking about skiing and or boarding with anyone, talking about the benefits of being a member of a club. This season the Council will be involved with more movie premiers in NYC. The Council is always looking for new ways to get the word out to everyone in the metropolitan New York City area. If you are at an event, and the Council has a table set up, stop by and say hello. We are always ready to talk and meet new people. Maybe make some new friends.

The clubs offer a lot to members. Some clubs have lodges near ski areas that are great for families. Some clubs like to travel. Find a club that is right for you. Just remember one thing. Have FUN and enjoy.

Hope to see you on the slopes. **Michael Calderone, Chairman**

Each year since 1936 the Metropolitan New York Ski Council has run an annual ski and inter-club racing competition. The competition, which features both alpine and snowboard races, is normally held during the later part of January. To ensure good participation, five events are offered: Main, Intermediate, Junior, Husband & Wife, and Snowboard. The competition draws serious racers and not so serious racers alike and offers a wonderful opportunity for members of the Council's clubs to meet, to compete, to ski together and to celebrate at the après ski party where medals are awarded and tentative trophy winner results are announced.

The competition is open to anyone who has been a member of a Metropolitan New York Ski Council club since January 1st of the year of the race, who is a bonafide amateur, who meets the eligibility requirements of the event entered, and who abides by the rules.

Each year the following prized trophies are engraved and passed to the winners or to the winners' clubs.

First Main Event Team - Palmedo Trophy

First Intermediate Event Team - German Ski Club Trophy

First Intermediate Event Junior Team - Herbert Schneider Trophy

Fastest Giant Slalom Skier - Harry W. Voegel Trophy

MAIN EVENT

First Elite Woman - Lillian Andlauer Trophy

First Senior Woman - Woman's Ski Association Trophy

First Woman - Harry Vallin Trophy

**NATIONAL SKI COUNCIL FEDERATION NEWSBEAT
SEPTEMBER 2014**

NSCF 2014 Annual Meeting Concludes. The NSCF concluded the 2014 annual meeting Sept. 18-20 at the Westgate Resorts Park City Resort and Spa. Deedee Corradini, President, Women's Ski Jumping USA, was the keynote speaker. She was accompanied by jumper Lindsey Van.

Representatives from ski councils across the United States met together with ski industry representatives to hear about and discuss items of mutual interest. Topics included air transportation, FAM trips, budgeting, working with tour operators, council operations, attracting volunteers, and setting up a foundation. Presenters were a mixture of industry partners and council representatives.

Thanks to all who worked so hard to make the meeting productive and to Westgate Resorts for hosting. The 2015 annual meeting will be in Lake Placid, NY, Sept. 9-13.

Initiated by the New England Snowboard Association (NESBA)

This past summer I had the opportunity to attend the SIA Summer Snowdown, it was held at Pillars 38 in Manhattan. This is a media only preview of the 2014-2015 winter fashion, accessories and gear from a selection of the snow sports industries leading brands.

There was a great variety of manufacturers that exhibited at the show. Everything from skis and snowboards, goggles, gloves, boot bags and accessories.

The Snowsports Industries of America has been having this showcase for the past couple of years in New York City.

I took a lot out of the event and will hope to bring a lot of information to the Council and get the word out to the 20,000 plus members we have.

I was able to get Transpack to attend a Council meeting to show what is new in their product line. I am trying to get more companies who exhibited at the show to attend a Council meeting to promote their products.

There will be a lot of exciting new products on the market this upcoming season. I was happy to be able to see them first.

I hope that everyone who goes out to the local shop or sporting goods store is able to check out what I promise you will not be disappointed.

THE METROPOLITAN NEW YORK SKI COUNCIL HISTORY

The Metropolitan New York Ski Council had its inception as the Central Ski Committee in 1934. Representatives from 6 clubs met for the purpose of finding a way to bring skiing information to New York and to blaze the trails for the adventuresome to escape to the Winter Wonderland.

Drawn together by mutual interests, they worked in close harmony with the press and the Northland in an endeavor to evolve a uniform method of snow reporting.

The Council found and developed its own area at Norfolk, Connecticut, got ski trains to run there, and promoted weekend snow trains to the Catskills, Vermont, and the Laurentians. It got snow reports into the New York SUN, established a practice slope in Phoenicia, conducted interclub races which have been run ever since 1935, gave free instruction in Central Park, infected thousands of city dwellers with the ski bug by sponsoring movies, and helping promote the first winter sports show in New York City. This Council formed the Metropolitan Ski Patrol shortly after the NSPS was started. Ken Littlefield put out a bulletin, TRAIL SWEEP, which has become the National Ski Patrol's house organ.

Over the years this council has been host to foreign ski teams visiting the United States, largely because of its location and because of the efforts of the late John J. Clair Jr. It has also been a leader of the revival of ski touring.

The following is a highlight of events throughout the years:

November 1940 - The Metropolitan New York Ski Council met with ski writers. The meeting was devoted to an exchange of ideas between the members of the council and the press. Means of facilitating snow reports were also discussed. **November 1940** - The Amateur Ski Club, member of the Council, sponsored a meeting to award Minot Dole, Chairman of the National Ski Patrol, with the United States Eastern Amateur Ski Associations Safety Trophy.

November 1943 - The Swedish Ski Club, one of the most active ski clubs of the east, contributed 17 members to the United States Ski Troops. **December 1947** - The Amateur Ski Club hosted the United States Olympic Ski Team before they were sent off to the Fifth Winter Games at St. Moritz, Switzerland. **November 1949** - The Metropolitan New York Ski Council was designated by the National Ski Association of America to serve as the official reception committee to welcome all foreign skiers for the world championships to be held at Lake Placid, New York and Aspen, Colorado this winter. At this time the Council had 28 clubs and 7500 members. **October 1950** - The Metropolitan New York Ski Council had 30 clubs and close to 10,000 members.

January 1952 - The Metropolitan New York Ski Council hosted the United States Olympic Nordic Ski Squad before they departed to Oslo, Norway for the Sixth Winter Games. **1957** - The Metropolitan New York Ski Council's Ski Development Committee worked with New York State with forming new ski areas in the State.

Past members of the council who had an influence in the ski community:

John J. Clair Jr. - The Chairman of the 1956 United States Olympic Ski Games Committee. John has also held key positions with the National Ski Association of America, National Ski Patrol System and The United States Eastern Amateur Ski Association. In October 1956, John was named winner of the American Ski Trophy, because of his many contributions to the sport. In May 1970, John was inducted into the Ski Hall of Fame.

Roland Palmedo - The founder of Mad River Glen which opened in 1948. He was also an author of many books on skiing and developed one of the most extensive ski libraries in America. Roland was also a founding member of the National Ski Patrol.

Harry Voegel - President of the New York State Winter Sports Council, Vice President and Director of the United States Eastern Amateur Ski Association and he founded The Metropolitan Ski Jumping Committee. He was instrumental in forming ski clubs throughout the Metropolitan New York City area. Harry was also Director of the National Ski Association. From the 1930's until his death, Harry was an advocate of eastern U.S. Skiing. of the founding fathers in promoting winter sports in the Metropolitan New York City area.

Keeping it Real.

White Plains Ski Club

70 members

Meetings are held once a month at Panera Bread, 1 North Broadway, White Plains, October through April. See club website (www.whiteplainsskiclub.org) for dates and times. Activities: Members of the White Plains Ski Club have been enjoying skiing, winter and summer sports and outings and each other's company for over 60 years. The WPSC is a fun and affordable way for you and your family and friends to enjoy skiing in winter and the beautiful Vermont countryside year-round. The lodge sleeps 32 and has large communal kitchen and dining areas, living room, a sunken fireplace, and room for equipment. Many of our members are avid downhill skiers, some are cross country skiers, and some don't ski at all. While Mad River Glen ("Ski it if you can") has a reputation for being a challenging mountain, our membership is comprised of expert, intermediate and beginner skiers who enjoy all that Mad River offers. We have both single and married members, some with children, some without. We have young members and "well-established" members. Despite our club name, our membership is spread throughout NY, NJ, CT and MA. Lodge: Skiers and non-skiers alike are invited to join us and discover our spacious and comfortable ski lodge within walking distance of the legendary Mad River Ski area in Waitsfield, VT. Contact: Pam Ferraro, 43 Angelus Drive, Greenwich, CT 06830, pferraro@greenwichacademy.org, Web: Please visit our website for photos, membership information, club history and to find out how to join! www.whiteplainsskiclub.org

Miramar Ski Club

278 members.

Meet: The membership meets quarterly at 71 West 23rd St, Room 2 West, NYC 10010-4190.

Activities: Miramar Ski Club is a not-for-profit organization that offers a warm, friendly atmosphere with year-around activities and social events. During ski season, the club offers convenient and no-hassle planning with same-week reservations for most trips. Bus trips are run every weekend from New York City (with a NJ and Long Island pickup, I-95 exit 36) to our fully equipped lodge in Waitsfield, VT. Waitsfield is a charming village in the Mad River valley, convenient to Sugarbush, Stowe and Mad River ("Ski It If You Dare!") Our Vermont home is a converted 1830 gristmill that sleeps 52 people, usually two to a room, the maximum of four sharing a bathroom and linens and towels are included. In the mornings, the bus drops us off right at the mountain and picks us up in the afternoon in time for hot showers, a cocktail party and a hot dinner prepared by a chef. Cross-country skiers and boarders are welcome, and the bus will also take them and pick them up from the cross country skiing area. Our trips include discount lift tickets and great company for everyone from experts to beginners. Go to our web site for information on the Novice Downhill Skier Program to help defray the expenses of beginners or guests returning to skiing after many years. Cocktails, wine, happy hour and meals and lodging are all included in the low cost trips. The club also runs week long ski trips out West and to Europe and participates in club races.

During the spring/summer/fall, the club offers trips to the lodge to hike, bike and kayak (to name a few of the activities). Meanwhile, members get together throughout the year for baseball games, wine tasting events, clam bakes, city walks, annual dances, holiday parties, mid-week happy hours, etc.

Suffolk Skidaddlers

350+ members (must be at least 21).

The Suffolk Skidaddlers Ski Club Inc. has been in existence for more than 30 years. We are a totally volunteer club, registered in New York State as a not for profit corporation. Our membership throughout the last five years has been around 400. We require

that members be at least 21 years old to belong to the club. Our membership is about an even mix between couples and singles. We do not own nor do we have monetary interest in any lodge or similar facility.

We are a sport and health-orientated club. Primarily a ski club, with more than 15 ski trips a season: day trips, weekend, and week long trips, bus, car or plane. We ski all over the northeast and the west of America. We ski the east and western areas of Canada, as well as France, Italy, Switzerland, Austria and even Sweden.

Additionally, we have summer activities, and club functions ensure that throughout the entire year there is always something to do with the club. We have general meetings most every Wednesday of the year, unless it falls on a holiday. There is no requirement to attend meetings.

All of our meeting dates and activities are listed in our newsletter and our website.
