## LOST SKI AREAS

**3 lost Northeast ski areas are going to be returning this winter!**

**Hickory Ski Center** in Warrensburg, NY will be reopening this winter after a several year hiatus. Hickory features the largest vertical (1200') in the Eastern U.S. served up by surface lifts, including 2 high speed pomas. The area is being upgraded with improvements to the lodge, lifts, trails being cleared, etc. Hickory also features some very challenging all natural terrain that is on par with many larger New England

resorts. For more information, please visit [www.hickoryskicenter.net/](http://www.hickoryskicenter.net/)

**Big Tupper** in the Adirondacks of New York will be making a long awaited reopening this winter! Volunteers have been hard at work getting permits to operate Chair 2, which will serve 2/3 of the ski area.

For more information, please visit: <http://skibigtupper.org>

**Haystack** in Vermont will be making a very limited reopening for residents of Wilmington, VT and potential homebuyers. Only the mid-mountain chair and a handful of trails. For more information please visit [http://dvalnews.com/pages/bookmark/push?article-Stack+owners+hoping+for+a+comeback%20&id=3901791-Stack+owners+hoping+for+a+comeback&instance=home\\_news\\_1st\\_right](http://dvalnews.com/pages/bookmark/push?article-Stack+owners+hoping+for+a+comeback%20&id=3901791-Stack+owners+hoping+for+a+comeback&instance=home_news_1st_right).

Warren Miller's Dynasty, the largest action sports film on the planet, is coming to NYC to kick off your winter for the 60th year! Dynasty showcases fresh cinematography that will get you craving deep powder and epic adventure. Warren Miller film premiers are an experience and a phenomenon not to be missed.
