## Metropolitan New York Ski Council 79th Year

Welcome to the Metropolitan New York Ski Council Newsletter. This newsletter has some new articles and general information for you. The Clubs are encouraged to send articles and information to make this newsletter a success. Please feel free to contribute any thing you would want to share.

For ski areas we will gladly publish any news such as and special or upcoming events.

The Council has been dedicated to the encouragement of snow sports for 79 years. We are 79 years old and still going strong.

It is through membership in our various clubs that you may benefit from our collective efforts.

The Metropolitan New York Ski Council started out as the Central Ski Committee. Six clubs joined together to bring skiing information to New York. 78 years later, the Council is working with Mountains, Resorts, Tour Operators and Ski Shops and other Councils to bring information, discounts, etc., to the ski clubs and their members.
